Subject: RE: CRW Consent Decree Draft to send to CRW on 11/22

Brad – thank you so much for sending. Ok with me to send Decree to Fred and I agree – it makes sense to send Victor's table (**again, thanks Victor for putting together this table!**).

One question:

1. On page 93, a table is labelled "Appendix A" and lists CSO Projects and Investments (2021-2032). Do we plan to include this table, and if so should it be re-lettered as Appendix C? Right now, it seems confusing to me to include this table and have it labelled as an "Appendix A."

I hope this question makes sense -- Sushila

Team,

Please see the attached redline and clean copy of the draft CD to send to CRW. I spoke with Fred today and let him know we would try to send it Monday of next week.

This draft has been scrubbed of our internal comments, and only contains notes to CRW. Also, it includes suggested edits from PG to paragraphs 15.b., 20.a., and 20.b.

I also made a general comment to Appendix B that we think it should be in a Table, and I think we should send Victor's table in Draft form along with the decree. Fred flagged that they have some updates to this information which will be good; I told them we thought it should be a table that makes it easier to follow (so I don't think they will be surprised if we send Victor's table).

Please let me know if you concur, and I will then send to Fred on Monday.

I will be on leave next week, but want to send this to Fred. I will check email/voicemail on Monday and coordinate with folks here as needed.

Thanks,
Brad
